Facilitator: -

Monitor: Carolyn Fisher

Time: 1.30pm – 3.00pm

FOX project at Jack Poole Plaza, won award for best technical production at the FIFA Women's Soccer.

1200lbs of wood used to make the structure.

Every event is different and a different experience

Orientation for the FOX project was an hour long, meeting of every department for the project was important.

Structure was up for a month in the summer

Everyone went home safely

Had 2 safety officers and an AED on site

They practiced fake incidents in case of real ones

everyone should 'listen' that's what matters

Recommend recording your tool box talk

Qu: why do you need your lift ticket?

A: To cover yourself, make sure they're up to date
